11. (U) We met Group Captain Wirasak, Director of the Royal Thai Air Force's Aeronautical Air Supply Division, and administrative and warehouse staff January 28 and 30. Wirasak presented an end user certificate No. 0611.3 (10)1284, dated January 21, 2008, with all details in accordance with reftel. The Division did not have a copy of Daedalus Projects and Trade B.V. purchase order no. 000061. Wirasak confirmed that the intended use of the equipment was for maintenance of F-16 aircraft. Wirasak also provided the invoice, airway bill, customs clearance, and the Division's receiving record. All information matched reftel.

12. (U) According to the Division's records, the reftel equipment had arrived at the RTAF warehouse October 30, 2008. The part numbers and NSNs matched reftel information and a check of the quantities confirmed the reftel quantities.
